The Youth Nationals was held in KZN from 29th - 30th September. Over 100 youth competed at Kloof High on the first day and at the Old Mutual Sports Hall at UKZN on the second day. All competitors were tested over the course of 3 routes before it was decided who would go through to semi-finals and finals. Some spectacular final routes kept the crowd entertained and nervous competitors gripped, wondering what the final outcome would be.
